NAVODITYA HIGHER SECONDARY SCHOOL, KHARIAR ROAD, NUAPADA

"Education is not the amount of information that is put into your brain and runs riot there, undigested all your life. We must have life-building, man-making, character-making assimilation of ideas. If you have assimilated five ideas and made them you life and character you have more education than any man who has got by heart a whole library."

About Our School

Navoditya Higher Secondary School, Khariar Road, is a prominent educational institution dedicated to providing quality higher secondary education, particularly in the science stream, under the Council of Higher Secondary Education (CHSE), Odisha. The school is known for its commitment to academic excellence and holistic development, focusing on empowering students to excel in both academic and competitive arenas. The institution's philosophy revolves around fostering intellectual curiosity, encouraging critical thinking, and nurturing a disciplined yet creative approach to education.

With a particular emphasis on the science stream, Navoditya prepares students not only for prestigious competitive exams like JEE, NEET, and other national and state-level entrance tests but also for success in various other academic and professional pursuits.

Academic Focus

Navoditya offers the science stream, which includes core subjects such as Physics, Chemistry, Mathematics, Biology, Computer Science (optional), and Electronics (optional). The curriculum is aligned with CHSE standards and is designed to build a strong foundation in scientific concepts. The school emphasizes conceptual learning through theoretical studies and practical experiments in well-equipped laboratories.

Chairman’s Message

The Visionary Mentor

We believe that strong family and cultural values are key to raising well-rounded individuals. Our school focuses on strengthening four pillars—Curriculum, Faculty, Methodology, and Evaluation Tools—to provide a solid foundation for our students’ development.

Education must prepare children for life, fostering academic growth as well as social responsibility. We are committed to creating a healthy partnership with parents, ensuring a positive experience for our students and a bright future ahead.

Mr. S.A. Rahman
Chairman,
NAVODITYA

Director's Message

Shaping Bright Futures

Navoditya is dedicated to meeting the evolving educational needs of K-12 students, focusing on their physical, social, intellectual, and emotional development. Guided by the belief that education is about igniting curiosity, not just filling minds, we offer a strong infrastructure, a comprehensive curriculum, and a technology-driven platform grounded in values.

We deeply respect educators for their role in shaping young minds and believe in the need for a collaborative, interdisciplinary approach to teaching. Our mission is to equip students with the tools to navigate the modern world, promote active citizenship, and inspire global harmony and sustainable growth.

Mr. Syed Ashik Rahman

Principal's Message

"Success come to those who work hard & stays with those. who don't rest on the laurels of past."

Dear Parents,

Navoditya is a wonderful place for students to grow educationally, get involved, and have a meaningful school experience. Success comes from achieving our worthy and chosen goals. To succeed, we must sell ourselves and our ideas to others and win their wholehearted cooperation, help, and support.

Regardless of who we are and what we care about, our motto and vision are to provide better, quality education under the able guidance of our Director, with continuous efforts from a team of highly qualified and experienced teachers. Keeping in mind the educational needs of Nuapada district, we are committed to providing better educational facilities in various fields.

I humbly appeal to all parents to keep faith in us and extend your cooperation and suggestions. United, we can overcome any hurdles and work towards a better future.
